

REMARKS

Please replace page 5 of the specification with replacement pages 5.1 and 5.2 which incorporate the amendment into the specification. The added language clarifies the meaning of "does not overextend" and does not add new matter.

Favorable consideration of the application is respectfully requested.

If the examiner wishes to discuss any aspect of this Amendment, please contact the undersigned at the telephone number listed below.

Respectfully submitted,

Scott A. McBain
Reg. No. 37,181
